Report on Celebration of Geography Day
Academic Year: 2020–21

Geography Day Celebration at Arts and Commerce College, Ashta

The **Department of Geography at Arts and Commerce College, Ashta**, celebrated **Geography Day** with great enthusiasm on **18th January 2021**. The event aimed to foster greater awareness and appreciation of Geography among students as well as the general public.

Highlights of the Celebration:

As part of the program, **Dr. Vilas Kale**, Principal of the college, delivered an insightful and inspiring lecture, emphasizing the **importance of Geography in everyday life** and its growing relevance in the field of **modern education**. His address encouraged students to view the subject from a broader and more practical perspective.

The program was smoothly and efficiently conducted by **Prof. S.A. Gaikwad**, and the event concluded with a warm **vote of thanks** delivered by **Khade Madam**, acknowledging the efforts of all those involved in making the celebration a success.

Importance of the Day:

It is noteworthy that **National Geography Day**, declared by the **Government of India**, is celebrated every year on **14th January**, coinciding with the festival of **Makar Sankranti**. This day holds both **scientific and cultural significance** as it marks the **Sun's transition from the Southern Hemisphere to the Northern Hemisphere**, symbolizing **new beginnings and the journey toward enlightenment**.

Conclusion:

Geography continues to be a **favorite and fascinating subject** for many students, offering both intellectual satisfaction and practical knowledge. Celebrations like these help in **nurturing curiosity**, expanding understanding, and reinforcing the importance of Geography as a **vital and dynamic academic discipline**.
