Village Survey Report 2021-22

Visiting Place : Mardwadi

No.Of Student : 22

The Department of Geography had visited Mardwadi village for the duration of one day field work under practical Geography (Paper No. XVI). Mardwadi village is located in Walwa Tahsil in Sangli District. It is located on the banks of Krishna river.

Geography student's visited to Mardwadi village with the aim of field work. Students have been introduced the importance of field work and observation of physical, social and economic aspects. The field work consisted of data collection, data analysis and finding problems and providing solutions over them. Students are made aware about the advanced techniques used in geography and its changing nature. The students are made acquainted with the use of computer for examination of geographical data, satellite image and GPS location of field survey. Further it helps students to improve the use of modern tools and techniques for research work and precise project writing.
